

BUTLER ROAD IMPROVEMENTS PROJECT

Greenville County

Public Information Meeting

Meeting:

The South Carolina Department of Transportation (SCDOT) is holding a Public Information Meeting for the proposed Butler Road Improvements project in Mauldin, SC on Thursday, November 18, 2021 from 5 to 7 p.m. at the Mauldin Cultural Center at 101 E. Butler Road, Mauldin, SC 29662.

The Public Information Meeting will have displays and handouts for viewing, and citizens will have the opportunity to provide written comments. SCDOT representatives will be available to answer questions about the project.

Purpose:

To provide an opportunity for the public to review, comment on, and discuss the revisions to the proposed Butler Road improvements project that have been made since the January 2021 public meeting. Another purpose of this meeting is to gather information from the public or any interested organization on historic or cultural resources in the area.

In addition, the project is anticipated to take right-of-way from a public park owned by the City of Mauldin (Mauldin Park) for the road improvements. Based on the project's proposed use of the park, the Federal Highway Administration (FHWA) intends to make a *de minimis* (minimal impact) finding for the project. SCDOT is coordinating with the City of Mauldin and would improve access to the park with the proposed improvements. This meeting will also be held to provide information and receive comments on the proposed *de minimis* finding.

Comments:

Participants can provide written comments in the following ways:

- Mail comments to Casey Lucas, PE, SCDOT Project Manager at 955 Park Street, P.O. Box 191, Columbia, SC 29201-3959
- Email your comments to butlerroad@scdot.org
- Fill out a comment card and drop it in the comment box during the in-person meeting on November 18, 2021.

Comments will be accepted **November 10 through December 10, 2021**. All formal comments received during the comment period will be considered and included in the project record.
